OAPFF Supporter,

May 18-21, of 2026, the Ohio Association of Professional Fire Fighters will host its 55th Biennial Conference in Toledo, Ohio, at the Renaissance Downtown. This event will bring together nearly 400 fire fighter leaders together to strategically guide the future of our organization and learn about emerging services and trends that can help protect fire fighters across the state.

There are several OAPFF Conference sponsorship and vendor display opportunities available. Vendor booth space is offered with limited spots for each sponsorship level. Opportunities also exist to place an ad or message of support in the Ad Book.

The OAPFF represents over 14,000 fire fighters from nearly every county in Ohio. Our convention attendees are the decision makers and influencers in their respective fire departments.

We invite you to support the conference at one of the sponsorship levels below or to place an ad in our conference ad book.

Questions should be directed to Bill Mastroianni at conferences@oapff.org.

Thank you for your support,

Bill Mastroianni, Chief of Staff
